

# SCONE Interop Status

Marcus Ihlar

SCONE – IETF 125, Shenzhen

# Interop results at IETF 124

# Interop results at IETF 125

# Implementation Status

- Ericsson network element prototype ready for labs and limited trials
  - Let us know if interested in testing
- Meta endpoint support
- Others?

# What is required to progress SCONE

- What level of implementation experience is expected?
- Which aspects beyond demonstrated interoperability?
