IETF participants are expected to behave in a professional manner and extend respect and courtesy to their colleagues at all times (see **RFC 7154: IETF Guidelines for Conduct and IETF Anti-Harassment Policy**). If you have any concerns about behavior, please contact the Ombudsteam who have a duty of confidentiality and extensive powers to act, as set out in **RFC 7776: IETF Anti-Harassment Procedures**.

If you are aware that any IETF contribution (as defined in **RFC 5378: Rights Contributors Provide to the IETF Trust**) is covered by patents or patent applications that are owned or controlled by you, your employer or your sponsor, you must disclose that fact, or not participate in the discussion (see **RFC 8179: Intellectual Property Rights in IETF Technology**).

For detailed process information consult **RFC 2026: Internet Standards Process** and **RFC 2418: IETF Working Group Guidelines and Procedures** and updates to those.

The IETF routinely makes public written, audio, video, and photographic records of IETF activities, including your personal information as set out in the IETF Privacy Statement.
