

# Connect-Reuse (draft-ietf-sip-connect-reuse-05)

66<sup>th</sup> IETF, July 2006

Montreal, Canada

Vijay K. Gurbani, Rohan Mahy and  
Brett Tate

# Status

- Last release -05.
- Draft primarily complete, except for ...
- WG minutes in IETF 65 reflect the need for connect-reuse to support virtual servers; need to add text.
- Will issue a new revision by July 28<sup>th</sup>, 2006 with all issues addressed.
