6. DKIM Service Architecture
7. Implementation Considerations
8. Deployment
9. Operations
10. Outline Future Extensions

Issues

- When do we issue: before or after SSP discussion is over?
 - Original plan called for LC before end of year
 - Authors would prefer to keep that plan
 - Can reissue if necessary after SSP is done
 - Would like sense of room

Issues

- Length
 - At 40+ pages, needs a diet
 - But still some sections that need to be filled in

Issues

- ?????
 - Send your cards and letters!
- Q&A
