

NFSv4.1 I-D Review Planning

How to complete NFSv4.1

Spencer Shepler

I-D Stages

- Stage-0
 - Major restructuring complete
 - Inclusion of all functionality
 - Complete dot-x
 - Consensus wrt required implementation experience

I-D Stages

- Stage-1
 - All intro and explanatory text complete
 - IANA and Security Considerations complete
 - First review of I-D for:
 - Normative language (MAY/SHOULD/MUST)
 - Intra-document consistency
 - Missing explanatory text
 - General ambiguities

I-D Stages

- Stage-2
 - Implementation reports
 - Major copyediting work complete
 - Second full document review for:
 - Normative language
 - Document consistency
 - Minor editorial issues
 - Input from other working group (?)

I-D Stages

- Stage-3
 - Working Group Last Call (final prep)

I-D Review Planning

- Who is willing or should review I-D?
- At what point?
- Review assignments?
- Restructure of stages?
- Other suggestions?
