22. NMRG Meeting

Jürgen Schönwälder

Jacobs University Bremen
Bremen, Germany

68. IETF, Prague, March 2007
Charter (excerpt)

The Network Management Research Group (NMRG) provides a forum for researchers to explore new technologies for the management of the Internet. In particular, the NMRG will work on solutions for problems that are not yet considered well understood enough for engineering work within the IETF.

Background

- Chair: Juergen Schoenwaelder
- Chartered in 1999 and running since then
- Holding the 22nd meeting in Prague today
