

ForCES Working Group

Forwarding and Control Element Separation

Chair: Jamal Hadi Salim <hadi@znyx.com>

IPR and Note Well

- Everything you present/say here is a contribution
- When starting a presentation you
 - MUST state if there is IPR associated with your presentation/draft
 - understand that restrictions listed in section 5 of RFC 3978 apply to your draft presentation
- When you ask a question or comment
 - you MUST disclose any IPR you know is related to the technology
