- I-D is similar to QS with TCP [RFC 4782]
  - Text has not changed since last IETF Minor editorial NITs.

- No currently known remaining issues to be addressed.

- Waiting for TFRC.bis (3448.bis) to be finalised
  - 3448.bis has changed X_recv handling which could impact 3.2.5
  - Need to verify expected change on RFC4342.
