1

Status

- WGLC for domain-certs and sip-eku done.

- Comments received from PKIX WG co-chair, SIP WG members, and RAI AD.

- Most comments editorial in nature.

- 2 issues that need discussion …

Open Issues

- Issue 1: Why are the drafts split?
  - Originally, there was one draft, which was split out.

- Issue 2: Why is domain-certs not a standards track document?
