New ASN.1 Modules

Jim Schaad

Paul Hoffman

Changes and Updates

- Responded to comments and reviews
  - Mostly from Alfred
  - CMP module not fully restricted
  - Mostly minor changes – one major change

Document Status

- Initial Proposal was for Standards Track
- Push back from some members on the list
  - Most comments were "too complex"
  - When details were requested about the problems, none were forth coming
- S/MIME group did not have same issues
- Informational/Experimental/Standards

Where do we stand?

- Comments
