Whither ForCES?

- 3 core drafts waiting for SCTP TML
 - We hope to take SCTP TML to LC after IETF75
- Applicability statement (Informational)
 - Please help comment
- Interop in Patras
 - Updated interop report (will not become RFC)
 - Implementation Report (hope to go Inf RFC)
- LFBLib (Informational)
 - Still needs some work

Whither ForCES?

- IMPLEMENT NOW!!
- Any new work requires rechartering
 - More LFBs ?
 - CE CE interface ?
 - CEM/FEM ?
