

Closing Questions (cf. RFC 5434)

Codec BoF, IETF 76
Eric Burger & Peter Saint-Andre

Interest

- Are you willing to write Internet-Drafts?
- Are you willing to review Internet-Drafts?
- Are you willing to implement, test, characterize, etc.?

Venue

- Among the relevant SDOs, does the IETF have the best chance of delivering a codec that addresses both the technical and “business” requirements?
