

#22 Add section on simultaneous IKE SA rekey

- Import text from RFC 4718 section 5.11.10 into new ikev2biz draft section 2.25 “Exchange Collisions”, replace NO_PROPOSAL_CHOSEN and NO_ADDITIONAL_SAS with new TEMPORARY_FAILURE error type notify.
- Add new CHILD_SA_NOT_FOUND error type notify for one collision case.
- Add text in new section 2.25 describing what to do when the new notify types are received.
