

Diameter PreCongestion Notification (PCN) Data Collection Application

draft-huang-dime-pcn-collection

Fortune Huang <fqhuang@huawei.com>

Glen Zorn <gwz@net-zen.net>

Hannes Tschofenig <Hannes.Tschofenig@nsn.com>

Tom Taylor <tom111.taylor@bell.net>

Status

- Initially presented at IETF 75
- Not made work item at that time because PCN still fluid
- PCN getting pretty stable
 - relevant documents pretty well ready for WGLC
- Worked on updated version but missed deadline
 - can be ready in a week or two

Current Requirements
