DPS framework

DNSSEC Signing Policy and Practice Statement framework.

draft-ietf-dnsop-dnssec-dps-framework-01

kirei

Background

http://www.ietf.org/proceedings/76/slides/dnsop-1.pdf

kirei

Since then

- Very few comments from the WG

- Minor editorial updates

- The Root Zones KSK and ZSK operators DPSs is ready for -01 soon.

- .SE has revised their DPS according to the framework

kirei

.SE revised DPS

- Adapted to the new environment based on OpenDNSSEC

- Licensed under a creative commons license

- Find the draft at https://www.iis.se/dl/DPS-PA9-ENG.pdf
