

# IANA SCTP chunk flags

draft-tuexen-tsvwg-sctp-chunk-flags-00.txt

Michael Tüxen ([tuexen@fh-muenster.de](mailto:tuexen@fh-muenster.de))

Randall Stewart ([rstewart@huawei.com](mailto:rstewart@huawei.com))

# Motivation

- SCTP is an extensible protocol. There are IANA procedures for adding new chunks and new parameters.
- We missed to define an IANA procedure to register chunk flags for existing chunks.
- This is needed by different IDs including the NAT traversal document.

# Status

- The ID needs to be reviewed by Michelle.
- WG adoption is needed.
- ... its ready.
