SIDR Working Group

IETF 79
Beijing, CH
Thursday, 11 November 2010
Any submission to the IETF intended by the Contributor for publication as all or part of an IETF
Internet-Draft or RFC and any statement made within the context of an IETF activity is considered
an "IETF Contribution". Such statements include oral statements in IETF sessions, as well as
written and electronic communications made at any time or place, which are addressed to:
  · The IETF plenary session
  · The IESG, or any member thereof on behalf of the IESG
  · Any IETF mailing list, including the IETF list itself, any working group or design team list, or
    any other list functioning under IETF auspices
  · Any IETF working group or portion thereof
  · The IAB or any member thereof on behalf of the IAB
  · The RFC Editor or the Internet-Drafts function

All IETF Contributions are subject to the rules of RFC 5378 and RFC 3979 (updated by RFC 4879).

Statements made outside of an IETF session, mailing list or other function, that are clearly not
intended to be input to an IETF activity, group or function, are not IETF Contributions in the
context of this notice.

Please consult RFC 5378 and RFC 3979 for details.

A participant in any IETF activity is deemed to accept all IETF rules of process, as documented in

A participant in any IETF activity acknowledges that written, audio and video records of meetings
may be made and may be available to the public.
