The LWIG Working Group

- Charter available at <https://datatracker.ietf.org/wg/lwig/charter/>
- The goal is to produce the Light-weight Implementation Guidance document
- This is the first WG meeting

Goals and Milestones

- Feb 2011: Design team of experts and a document editor recruited
 - AD and we recruit a team of ~10 people, windows still open for implementers
 - Carsten Bormann will be the editor
- Aug 2011: First version of the implementation guidance document submitted
- Mar 2012: Submit the implementation guidance document to the IESG for publication as an Informational RFC
