

# Three vCard Extension Proposals

Barry Leiba  
barryleiba@computer.org  
Huawei Technologies

with Kepeng Li (Huawei)  
Robins George (Huawei)  
Dany Cauchie (Orange, OMA)  
Alexey Melnikov (Isode)

# The Proposals

- date of death; places of birth and death  
draft-li-vcarddav-vcard-id-property-extensions
- Social Network Information  
draft-george-vcarddav-vcard-extension
- OMA Converged Address Book  
draft-cauchie-vcarddav-oma-cab-extensions

# 1. Birth and Death

- BDAY is in the base vCard 4 spec
- DDAY, BIRTH, and DEATH: removed in -15
  - suggested to move to extension
- Extension adds:
  - DEATHDAY
  - BIRTHPLACE
  - DEATHPLACE

## 2. Social Network Info

- Interest for some time
  - Two groups of social network folks want the work
  - Offers to help have not materialized
- Extension adds a number of social items
- Needs review
  - Clean up items and definitions
  - Add other items

# 3. OMA Converged Addr Book

- OMA documents "Converged Address Book"
- Sensible to align vCard properties with CAB
- Joint proposal from OMA & vCardDAV participants
- Needs vCard review
- Want to maintain mapping between CAB and vCard properties
