

# ALTO Deployment Considerations

## draft-ietf-alto-deployments-04

IETF#83, Paris, France  
March 29, 2012

M. Stiemerling and S. Kiesel  
martin.stiemerling@neclab.eu

# Changes in -04

- Added Stefano as co-author
  - Provided new Section 5. about ALTO for CDNs

# Next Steps

- Needs further input from
  - implementers
  - people who operate ALTO server or clients
- Needs review from the WG
