WG Drafts

- Work in progress:
 - Multicast extensions
 - On agenda
 - draft-ietf-ancp-mc-extensions-06.txt
 - WG LC attracted no comments, despite interest
 - Would like to see evidence of WG review before progressing
 - Access Node MIB
 - draft-ietf-ancp-mib-an-05.txt
 - WG last call after this IETF?

Closing the WG

- We are nearly done on our chartered items
- We do not have significant new work
- Should we close the WG once we have last called the MIB?
