Data-Only Emergency Calls

Brian Rosen, Henning Schulzrinne, Hannes Tschofenig

Status

- -03 incorporates the discussions we had at the Taipei IETF meeting:
  - Rewritten intro + abstract to clarify the purpose and scope.
  - Clarifies the relationship between CAP and additional data
  - Transport for CAP is MESSAGE and INVITE
- Draft version is here:
  - http://tools.ietf.org/html/draft-ietf-ecrit-data-only-ea-03
- Ready for WGLC
