Acknowledgements

- We would like to thank the entire community for volunteering, providing nominations and great feedback.

- We would like to thank all the acccepting nominees for going through the process with us. The Nomcom cannot really work without a great pool of nominees.

- We would like to thank the outgoing I* members for the great service they rendered to the community.

- We would like to thank the IETF Secretariat for all the help they gave us during the process. You are all awesome.

- Finally, I would like to thank all the members of the Nomcom (folks with Orange dots) who worked extremely hard to get the Nomcom process completed smoothly and on time.
