

byte-pkt-congest-07

- * **Autumn '11: WG asked for BCP status, required re-write**
 - draft-04 tsv directorate review (David Black & Fred Baker)
 - before BCP re-write
- * **Oct '11: draft-05 addressed the concerns:**
 - changed intended status from INF to BCP
 - clarified applicability of certain recommendations
 - removed language about consensus
 - added worked example
 - some restructuring
 - complete re-write of appendices
- * **Jan'12: WG Chair checked and thought concerns addressed**
 - added own review comments
 - we agreed to rev before WGLC
