IPsecME WG
IETF 84 Vancouver

Paul Hoffman, VPN Consortium
In summary: By participating with the IETF, you agree to follow IETF processes.

• If you write, say, or discuss anything in the IETF, formally or informally, (all of which we call "a contribution") that you know is covered by a patent or patent application you or your employer own, one of you must disclose that.

• You understand that meetings might be recorded and broadcast.

• See http://www.ietf.org/about/note-well.html
