BoF Scope and Purpose (AD)

- This is a “Working Group forming BoF”
 - Does **not** mean a WG will automatically be formed
 - Need to convince the IESG that a WG is warranted
- Key elements
 - Consensus there is work to be done
 - Clear identification of and focus around work topics
 - Work is “within scope” of IETF
 - Critical mass commits to do work
 - Very rough consensus on a (direction for) draft charter
