draft-kivinen-ipsecme-oob-pubkey-03

Changes since 02

- Obsolete old Raw RSA Public Keys format as decided after last IETF.
 - This will UPDATE RFC5996, and will be standards track document
- Added reference to RFC5480.

Next Steps

- Adopt this draft as WG draft?
 - Resubmit with WG name?
- Issue WG LC? When?
 - I think it is ready.
