

# PCP Flow Examples

**draft-boucadair-pcp-flow-examples**

IETF 86-Orlando, March 2013

M. Boucadair

**Presenter: J. Queiroz**

# Scope

- This document provides an exhaustive list of examples to illustrate PCP operations
  - More than 30 examples are included
  - More can be added if needed
- This document can be seen as a companion document to the base PCP specification
  - Understand PCP through examples

# Next Step

- Is this work useful for the WG?
  - Adopt as WG item?
