Robert Varga (Pantheon Technologies)

Victor Lopez (vlopez@tid.es) - Presenter

Oscar Gonzalez de Dios (ogondio@tid.es)

Outline

- **Update**
- **Next Steps**

Update

- **Some comments are received in the mailing list.**
 - **Editorial work is done to solve some minor issues.**
- **Main comment is that there is some overlapping with other documents.**
- **This can can be solved merging with two documents.**
 - **Active Stateful PCE Applicability (stateful PCE)**
 - **GMPLS (GENERALIZED-BW and SWITCH-LAYER) (draft-crabbe-pce-pce-initiated-lsp)**

Outline
