• The brief summary:
  – This summary is only meant to point you in the right direction, and doesn't have all the nuances; see below for the details.
  – By participating with the IETF, you agree to follow IETF processes.
  – If you are aware that a contribution of yours (something you write, say, or discuss in any IETF context) is covered by patents or patent applications, you need to disclose that fact.

• You understand that meetings might be recorded and broadcast.

• The details:
  – For further information, talk to a chair, ask an Area Director, or review BCP 9 (on the Internet Standards Process), BCP 25 (on the Working Group processes), BCP 78 (on the IETF Trust), and BCP 79 (on Intellectual Property Rights in the IETF).
