

CDN Interconnect Metadata

draft-ietf-cdni-metadata-06

Kevin J. Ma

Addressed Review Comments

- Fixed typos and incorporated editorial suggestions
- Added examples to Table 2
- Updated Table 3 (MIME Types)
- Updated JSON examples
- Moved GenericMetadata definition steps to the IANA Considerations section
- Updated IANA Considerations to align with FCI Semantics draft:
 - Changed “vendor specific” partition to “optional”
 - Removed normative language

Next Steps
