

IETF 89 – RADIUS Extensions WG Meeting
London, 04 Mar 2014

draft-ietf-radext-dynamic-discovery
-10 and -11

Document status

- -10 submitted before cutoff is
 - mop-up of the -09 WGLC comments
 - editorial changes pending due to PKIX OID assignment process being in flux
 - out for early opsdir review
 - got a non-opsdir review (provide more context!)
- -11 submitted yesterday is
 - Integrating the PKIX OID editorial changes
 - adds editorial content from the non-opsdir review
 - no changes in actual protocol ...
 - ... so expecting WG chair go-ahead ?
