

# Radius Extension for Lightweight 4over6

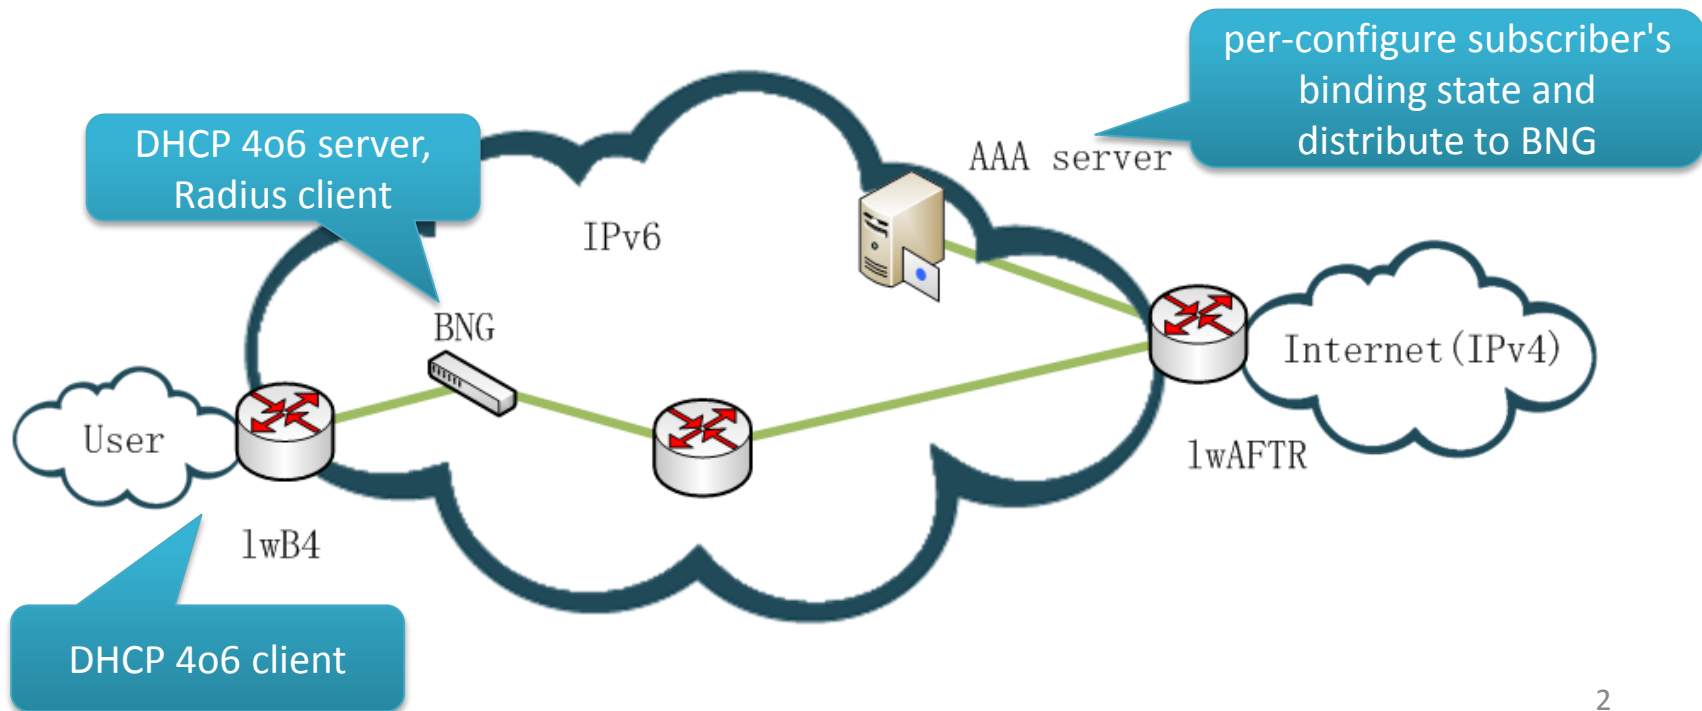

draft-sun-softwire-lw4over6-radext-01

C.Xie, Qiong Sun, Qi Sun, C. Zhou, T. Tsou, Z. Liu

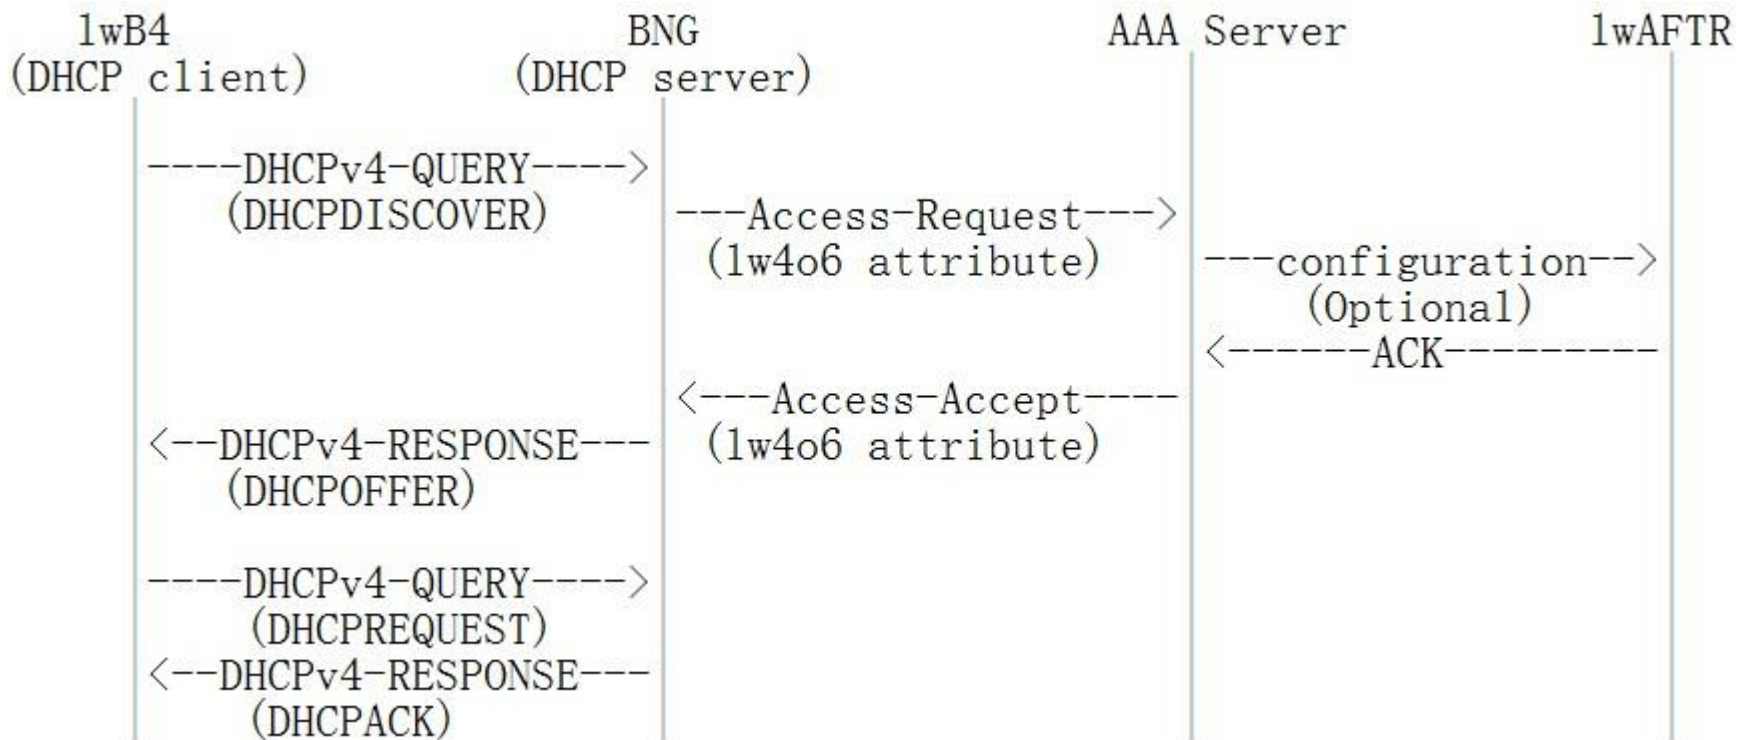

Cong Liu (Presenter)

# Introduction

- In many networks, user configuration information are managed by AAA servers.
- Provide authentication for lwB4 through RADIUS

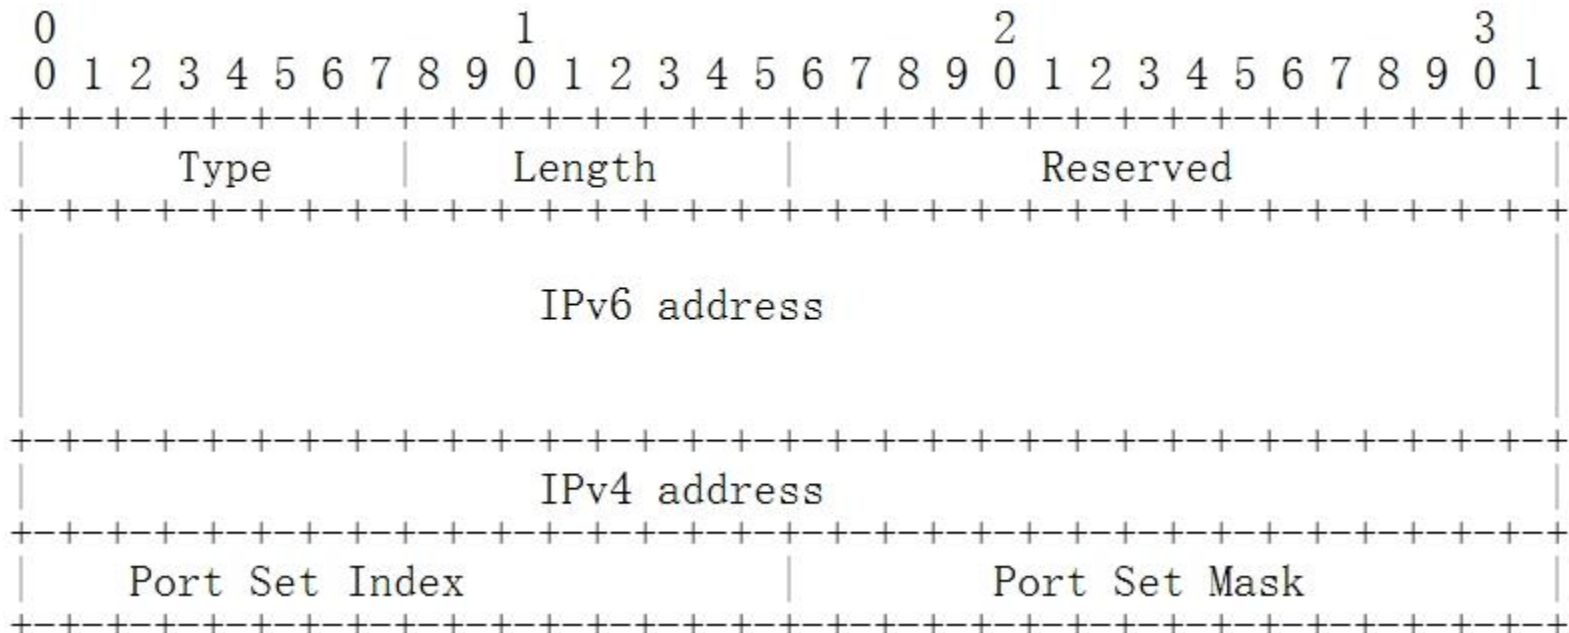

# Configuration Process with RADIUS

- If the mapping tables are created dynamically by AAA server, AAA configures lwAFTR by [I-D.zhou-dime-4over6-provisioning] or COA requests [RFC5176]

# Attribute

- New RADIUS attribute: *lw4o6\_binding Attribute*

# Next Step
