Where to talk about what

"We-a Culpa"

"Mea Culpa" - Latin for "through my fault ..."

　　"We-a Culpa" - "... but I had lots of help …"

We have been pushing very hard on Protocol Evolution

　　In the IETF, in the IAB, and now in the IRTF

We want to involve people who need to be involved

　　We haven't have made it clear how to be involved

So, here's where to go ...
