

Routing Policy Configuration Model

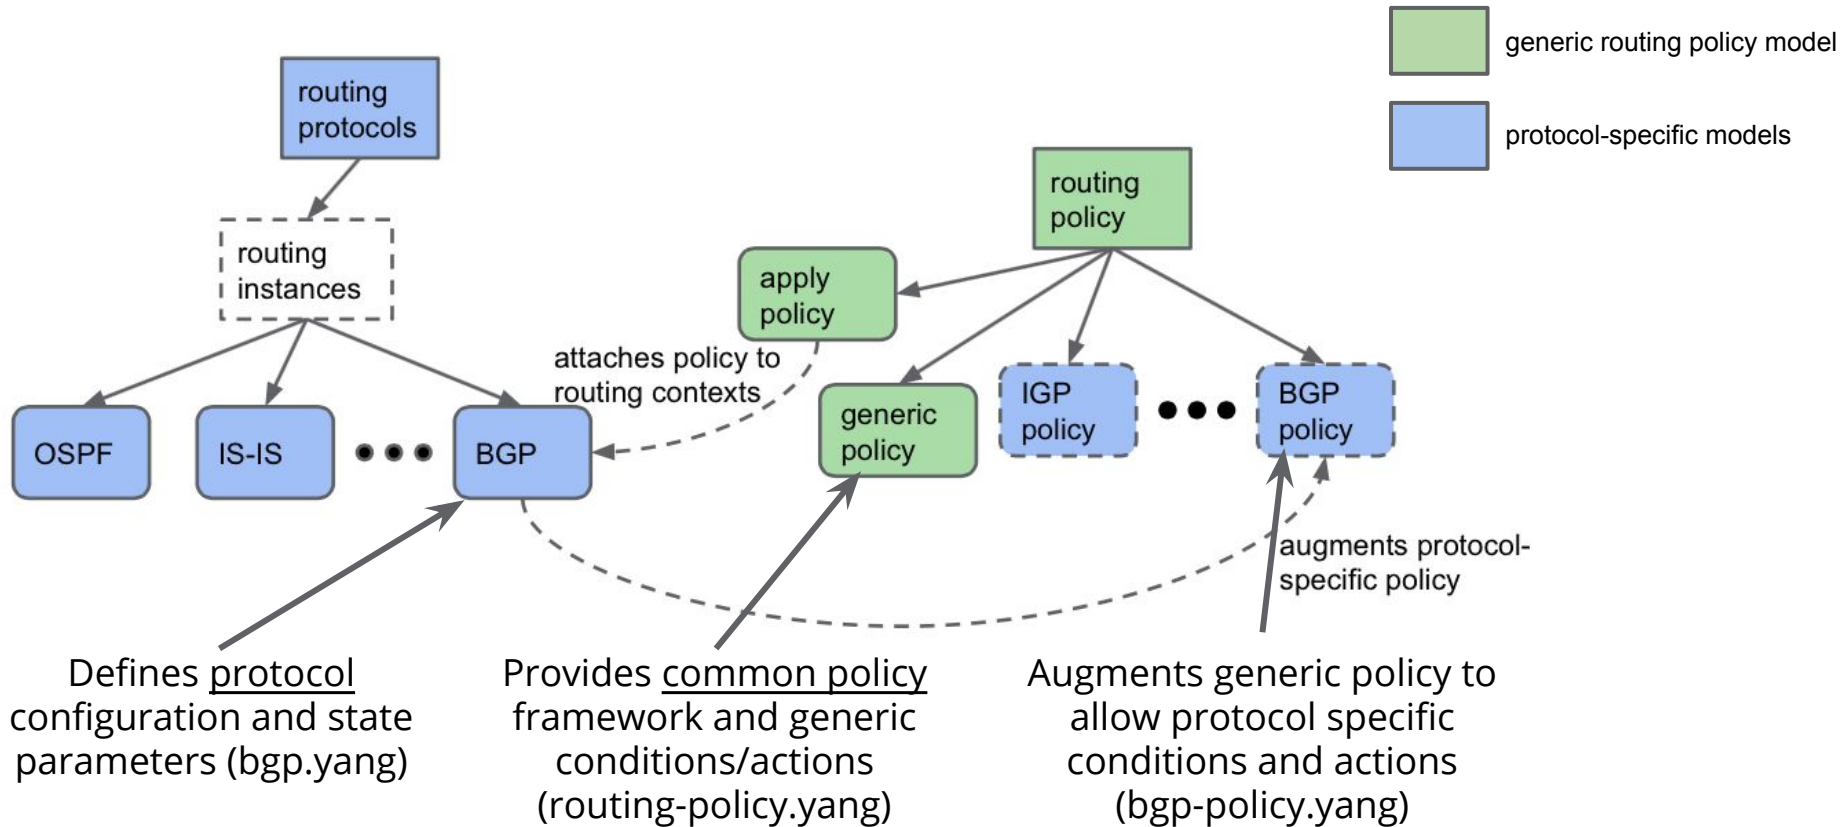

OpenConfig network operator working group
www.openconfig.net

draft-ietf-rtgwg-policy-model-00

Anees Shaikh, Rob Shakir (Jive), Kevin D'Souza (AT&T), Chris Chase (AT&T)

Recap of model structure and interactions

Recent activity

- working group adoption completed
- additional work on vendor implementations
- incorporation of feedback
 - clarifications of subroutine behavior
 - neighbor-set match behavior and specification
- leveraged by additional models
