Introducing the Next Nomcom Chair

Lucy Lynch

Thanks and final words

We wish to thank:

- All those who were willing to serve
- All those who provided feedback
- All those who were selected, and chose to pick up their tasks
- All those who were NOT selected, but still participated in good faith
- All those who helped in various ways (Secretariat and tools team especially!)

We are preparing notes on our experience that we will publish on the committee's web pages eventually. For now - thanks for your time!
