

A panoramic view of Buenos Aires, Argentina, at dusk. The city is illuminated with warm lights, and the Obelisco de Buenos Aires is visible in the distance. The Río de la Plata is in the foreground, with many boats docked along the shore. The sky is a mix of blue and orange.

Note well

This is a reminder of IETF policies in effect on various topics such as patents or code of conduct. It is only meant to point you in the right direction. **Exceptions may apply.**

The IETF's patent policy and the definition of an IETF "contribution" and "participation" are set forth in BCP 79; please read it carefully. As a reminder:

- By participating in the IETF, you agree to follow IETF processes and policies.
- If you are aware that any IETF contribution is covered by patents or patent applications that are owned or controlled by you or you sponsor, you must disclose that fact, or not participate in the discussion.
- As a participant in any IETF activity you acknowledge that written, audio and video records of meetings may be made public.
- Personal information that you provide to IETF will be handled in accordance with the IETF Privacy Statement.

Definitive information is in BCP 9, 25, 54, 78 and 79. For advice, please talk to WG chairs or ADs.
