RFC 4960 Errata and Issues

draft-ietf-tsvwg-rfc4960-errata

Randall Stewart (randall@lakerest.net)

Michael Tuexen (tuexen@fh-muenster.de)

Maksim Proshin (mproshin@tieto.mera.ru)

Goal

- Describe issues found since the publication of RFC4960 based on experience with implementing, testing, and using SCTP along with the suggested fixes

- Pre-requisite for RFC4960bis

Status

- draft-ietf-tsvwg-rfc4960-errata-01
- Adopted by WG
- Currently addresses 40 issues
- 6 issues have been addressed since IETF96
- 14 open issues, about 10 need to be addressed
- Issue tracker: https://github.com/sctplab/rfc4960bis

ToDo

- Address remaining issues
- Address upcoming issues if any
- Review of the draft
