

Routing Directorate Report

IETF 98

Routing Directorate Coordinators

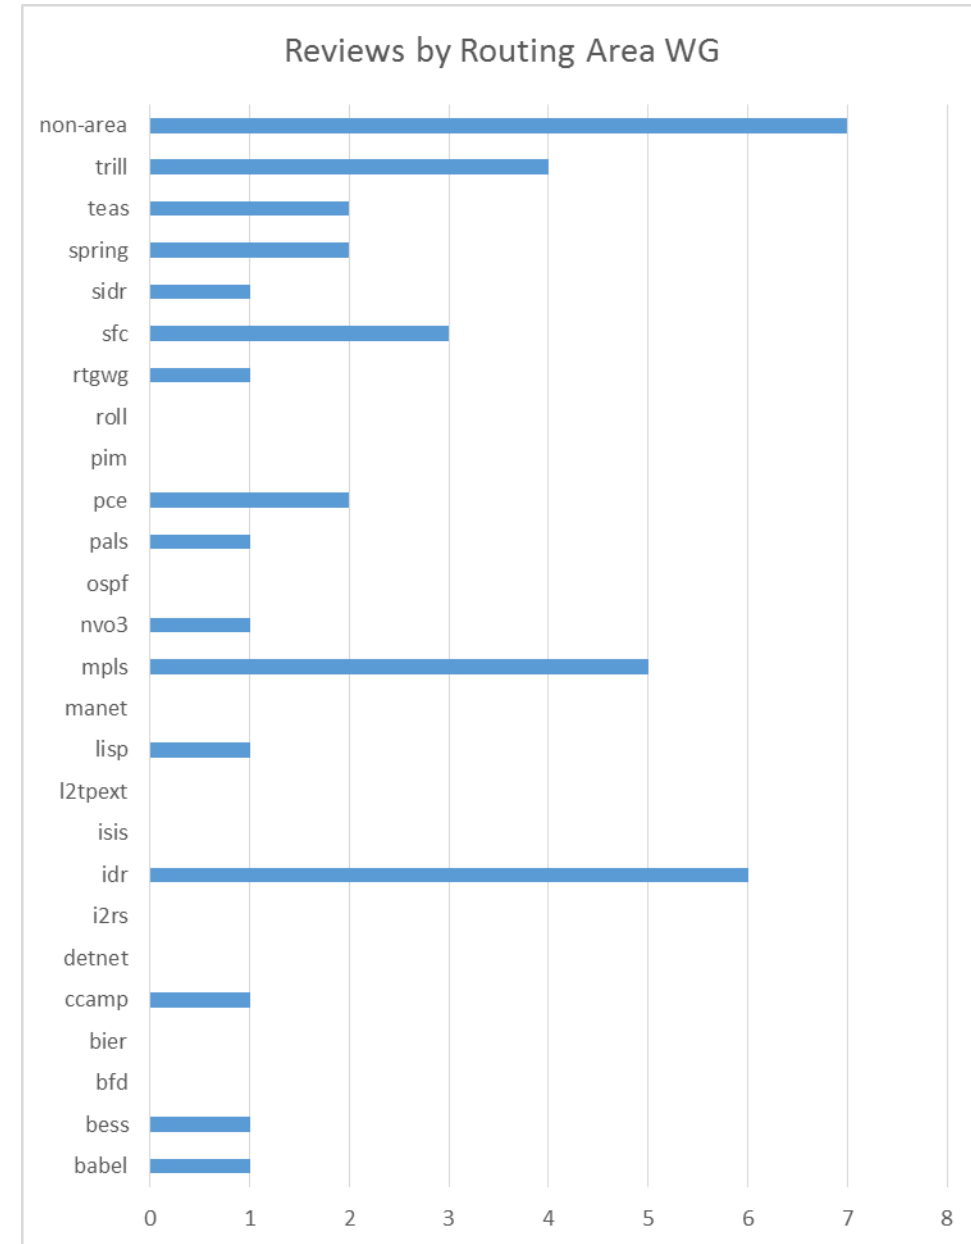

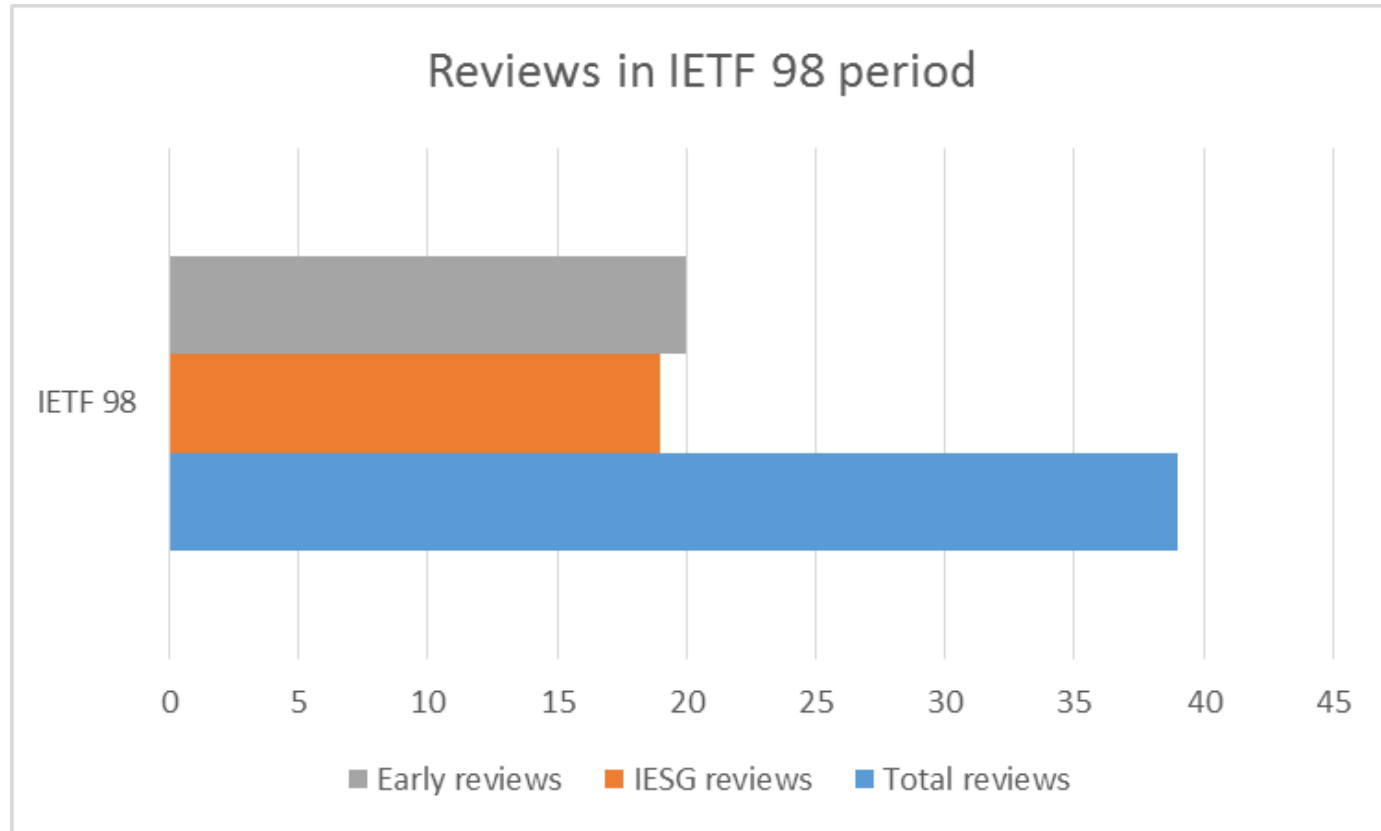

Jon Hardwick (jonathan.hardwick@metaswitch.com)

Amy Ye (amy.yemin@huawei.com)

Reminder: The role of the routing directorate

- Panel of routing area experts appointed by the ADs
 - 46 current members
- Expert reviews of drafts at IETF last call
 - both within and beyond routing area
- Early reviews of routing area drafts in the working groups
 - WG chairs: contact the coordinators to request reviews
- Reviews are assigned using a round-robin algorithm
 - Occasional hand-picking
- Assist ADs to make judgment calls from time to time
- See the wiki: <https://trac.ietf.org/trac/rtg/wiki/RtgDir>

Routing Directorate Statistics

Integration of Directorate with Datatracker

- Makes it easier and faster to request reviews of documents
- Simplifies communications between coordinators and members
- Links a draft's datatracker page with the directorate's review(s)

Requesting a Review (Chairs & ADs)

To request a review, go to the document's page in the datatracker...
