- **The brief summary:**
 - By participating with the IETF, you agree to follow IETF processes.
 - If you are aware that a contribution of yours (something you write, say, or discuss in any IETF context) is covered by patents or patent applications, you must disclose that fact.
 - You understand that meetings might be recorded, broadcast, photographed, and publicly archived.
- For further information, talk to a chair, ask an Area Director, or review the following:
 - BCP 9 (on the Internet Standards process)
