Multi-homing Deployment Considerations for DOTS
draft-ietf-dots-multihoming-04

Interim Meeting, June 2020

M. Boucadair, T. Reddy, W. Pan

Status & Next Step

- Latest update (May 20) to fix normative language and other minor edits

- Need more reviews and feedback

- Suggest to wait for one or two iterations before considering a WGLC
  - Target Sept 2020
