Status

- Adopted by JMAP in February 2020
- Minor changes in core data format (need to get JSCalendar done)
- Most new work done mapping from and to VCARD by Mario:
Next Steps

● Request to adopt also mapping document by JMAP workgroup

● Revisit core data format
  ○ Check where we can align data format more with JMAP patch object use
  ○ Keep clean mapping for main VCARD RFCs as priority
