# Status

- Latest version <https://datatracker.ietf.org/doc/html/draft-ietf-jmap-jscontact-02>
- Adopted by JMAP in February 2020
- Minor changes in core data format (need to get JSCalendar done)
- Most new work done mapping from and to VCARD by Mario:
  - <https://datatracker.ietf.org/doc/html/draft-loffredo-jmap-jscontact-vcard-02>

# Next Steps

- Request to adopt also mapping document by JMAP workgroup
- Revisit core data format
  - Check where we can align data format more with JMAP patch object use
  - Keep clean mapping for main VCARD RFCs as priority
