

draft-carpenter-rfced-model-00

- A lot copied from draft-thomson-rfced-model
- Open RFC Series Advisory WG (RSAWG) to set strategy
 - For the whole community, not the IETF, so rooted in ISOC, not IAB
 - Supported by a professional RFC Series Advisor (advice, not authority)
 - Add an “RFC Editorial” RFC stream
- Editorial authority is per stream
- Production contract management by LLC only

draft-carpenter-rfced-model-00

- The RFC Series Advisor
 - Senior professional with deep knowledge of technical publishing
 - Provides expert advice to the RSAWG and the RFC production team
 - A thought leader for improvements to the RFC Series
 - Under a part-time professional services contract with the LLC
 - Hired by LLC on advice from RSAWG chairs
