Discovery of Equivalent Encrypted Resolvers

draft-pauly-add-deer

Tommy Pauly, Tommy Jensen, Eric Kinnear, Patrick McManus, Chris Wood
ADD
January 2021, Virtual Interim
Status

Adoption call in ADD WG

Several open issues for WG discussion and consensus
Name and Terminology

Currently refers to “equivalent” resolvers

This should change based on WG discussion

Latest requirements draft specifies “designation”

Terminology change doesn’t change mechanism

If adopted, choose a new name

Discovery of Designated Resolvers (DDR)?
Special-Use Domain Name
